

MOHAMAD DENI YULIO

FULL-STACK DEVELOPER

Location: Bandung, West Java, Indonesia | Email: mdeniyulio@gmail.com | Portfolio: [mdeniyulio-portofolio](#)

PROFESSIONAL SUMMARY

Software Engineering graduate specializing in **Full-Stack Web Development** with hands-on experience in building enterprise web applications (Transport Management System & Billing Monitoring). Proficient in *backend* and *frontend* development using **PHP (Laravel)**, **JavaScript/TypeScript (Node.js, NestJS, React, Vue.js)**, and **MySQL**. Possesses strong technical debugging skills, with practical experience in version control workflows (GitLab) and containerization (Docker).

TECHNICAL SKILLS

Programming Languages	PHP, JavaScript, TypeScript, HTML5, CSS3
Frameworks & Libraries	Laravel, NestJS, Node.js, React.js, Vue.js, Vite, Alpine.js
Databases & Tools	MySQL, RESTful APIs, Docker, GitLab, Laragon
Core Competencies	Full-Stack Web Development, Database Management, Debugging & Troubleshooting, Networking Fundamentals

WORK EXPERIENCE

PT. Arkamaya — Software Developer Intern	Aug 2025 – Nov 2025
- Designed and developed frontend and backend features for a web-based Transport Management System. - Built a Billing Monitoring web application to streamline real-time transaction tracking and financial reporting. - Integrated RESTful APIs and optimized MySQL database queries to improve application responsiveness. - Performed technical debugging, issue identification, and troubleshooting to ensure system reliability and stability. - Utilized GitLab for version control, code management, and team collaboration.	

TECHNICAL PROJECTS

Point of Sale (POS) / Cashier Application — Competency Exam / Portfolio Project	2026
- Developed a web-based cashier system featuring multi-role access control (Cashier, Manager, Supervisor) using Laravel and MySQL. - Implemented a responsive user interface and visual optimizations to ensure fast and accurate transaction workflows.	

EDUCATION

SMK Angkasa 1 Margahayu	2023 – 2026
Vocational Diploma in Software Engineering (RPL)	

CERTIFICATIONS & TRAINING

Software Developer Internship Certification	2025
